

AAF Association Non-member Meeting Policy

Title: AAF Association Non-member Meeting Policy

Source: AAF ASSOCIATION

Version: 1.0

Date: May 16, 2003

Approved by AAF Board: May 16, 2003

AAF Engineering Meetings are for the benefit of AAF Association members. The Association recognizes that non-members may wish to attend a meeting before they decide to join. Therefore, non-members are welcome to attend one meeting without joining the Association. After that, they must join the Association to participate in future meetings.
